

Wow - what a lot of learning!

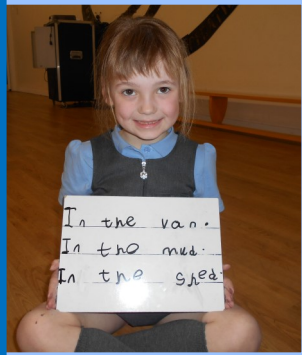

We went to Tesco to learn where our food comes from.

We planted seeds and watched them grow.

We went to B & Q to learn about materials.

Look at the words and sentences we have been writing!

We have been reading simple words and sentences together.

This term Reception have been learning about:

English -Reading a range of books including traditional tales linked to theme and retelling them. We have also been working on blending and segmenting words in sentences.

Maths -Using 2D shapes to create pictures and patterns and measuring ingredients and time when baking.

Theme-Learning about growth, changes and healthy eating.

These are just some examples of the great work we have produced...

We loved baking gingerbread men!

We made fruit kebabs and talked about how to keep healthy.

A little red hen

The little red hen

planted some

seeds she made

bread she

gave it to the road

We have been retelling stories and writing about them. Here is a lovely piece of writing about The Little Red Hen.

WANTED

big bad wolf

He has got a

black nose

In maths we have been using numicon to find number bonds to ten.

1	0	+	0	=	10
2	9	+	1	=	10
3	8	+	2	=	10
4	7	+	3	=	10
5	6	+	4	=	10
6	5	+	5	=	10
7	4	+	6	=	10
8	3	+	7	=	10
9	2	+	8	=	10

We have been describing characters in lots of different stories and writing about them.
