

Norton Primary Academy

May 2017

As we near the end of this half term a particular well done must go to all children in Years Six and Two who have shown fabulous attitudes during their statutory assessment tests. Year Two are still in the process of completing these up until the end of this week. We are equally grateful for the support from parents as the children have prepared for these.

A reminder for parents of pupils in Year One, and some in Year Two, that the national phonics screening check takes place during the week beginning June 12th. For further information please click on the link below:

We wish all of our families an enjoyable half term and look forward to working with you all as we begin the last half term of this year on 5th June.

We currently have vacancies for two lunchtime supervisors, with hours of 11:55 to 1:05 daily.

If you are interested and would like to find out more please contact Susan Dawson / Andrew Cowan via the school office for more details by Friday 9th June.
